REVISOR'S NOTE: This section is new language derived without substantive change from former Article 43, §§ 948(c), (d), and (e) and 949.

The substance of former Article 43, § 948(c), (d), and (e), which defined "federal program", "local agency", and "program", is incorporated in this section, since the former defined terms appeared infrequently and, therefore, separate definitions of those terms are not needed.

Former Article 43, § 948(a) which was standard introductory language to a definition section, is deleted as unnecessary since the defined terms are not retained.

Former Article 43, § 948(b), which defined "Department", is deleted as unnecessary in light of the definition of that term in § 1-101 of this article.

As to the referenced federal Child Nutrition Act of 1966, see 42 U.S.C.A. §§ 1771-1789 (1976).

Defined terms: "County" § 1-101
"Department" § 1-101
