REVISOR'S NOTE: This section is new language derived without substantive change from former Article 43, § 243 and all but the last clause of § 229.

Subsection (a) of this section is revised to clarify that the prohibition applies to the person who makes common cups and towels available for use, rather than the user.

In subsection (b) of this section, the defined term "Secretary" is substituted for the references to the former "State Board of Health".

Also in subsection (b) of this section, the former references to rules and regulations "as in their judgment {may seem} wise and proper" are deleted as unnecessary in light of the word "may".

The last clause of former Article 43, § 229, which granted a right of appeal to the Public Service Commission, is deleted as inconsistent with a criminal conviction.
