>REVISOR'S NOTE: This section is new language derived
without substantive change from former Article
41, §§ 59D(d), (j)(1), (2), (3), (4), and (6),
(k), and (n) and 59J(a)(1) and (6).

>This section is revised to incorporate   the
substance of former Article 41, § 59D(d) and
(j)(1), (2), (3), (4), and (6), which defined the
terms "capital expenditure" and "health care
project", since those terms appear only in this
section. Therefore, separate definitions   of
those terms are not needed. Similarly, former
Article 41, § 59D(k), which defined "health care
service", is defined for purposes of this section
as that term only appears here.

>In subsection (a) of this section, the former
reference to services "provided by a person or
provided in or through a health care facility" is
deleted as unnecessary since the defined term
"person" includes a   health   care   facility.
Similarly, in subsection (b) of this section, the
former specific reference to a "health care
facility" is deleted as unnecessary in light of
the use of the defined term "person".

>Former Article 41, § 59J(a)(2) and (3), which
exempted certain health care projects subject to
the law before June 1, 1978, is transferred to
the Session Laws.

>Former Article 41, § 59D(j)(5), which required a
certificate of need for new institutional health
services, is deleted as unnecessary in light of
subsection (e) of this section.

>Defined terms: "Certificate of need" § 19-101
"Health care facility" § 19-101
"Includes"/"including" § 1-101
"Person" § 1-101 "State agency" § 19-101
"Physician" § 1-101
