In subsection (a)(1) of this section, the former reference to beginning compilation "immediately upon the effective date of this subtitle" is deleted to reflect that compiling this information is a continuing duty of the Commission.

In subsection (a)(2)(iii) of this section, the former reference to interest charges as "properly" incurred is deleted as unnecessary.

In subsection (c) of this section, the word "change" is substituted for "amendments or modifications", to conform to the references in subsections (b) and (f) of this section.

In subsection (d)(2)(ii) of this section, the singular "owner" is substituted for the plural "owners", to reflect that there may be a single individual, corporate, or other "owner".

The introductory phrase of former Article 43, § 568V, which indicated that the Commission has the powers under this section "to properly carry out its authority", is deleted as unnecessary.

The only other changes are in style.
