

of that entity, "Maryland Nursing Home Association, Inc."

Subsection (a)(2)(iv) of this section is revised to reflect that this one member is both a nursing home owner or administrator and a nominee of the Health Facilities Association of Maryland. When Ch. 714, Acts of 1975 amended former Article 43, § 564, the word "one" was inserted immediately before the phrase "who shall be appointed from a list of names submitted by the Maryland Nursing Home Association, Inc." However, this addition to the statute was not noted by capitalization, underscoring, or other indication. Therefore the addition appears to be only an error and not to be an increase in the authorized membership of the Board.

Also in subsection (a)(2)(iv) of this section, the reference to a "related institution that is classified as a nursing home" is substituted for the reference to a "licensed nursing home", to conform to other references in this subtitle. As to classifications of related institutions, see § 19-308 of this subtitle.

In subsection (a)(2)(v) of this section, reference to the "Maryland Hospital Association, Inc." is substituted for the obsolete name of that entity, "Hospital Council of Maryland, Inc."

The Commission to Revise the Annotated Code notes, for consideration by the General Assembly, that there is no express provision for selection of Board officers.

Defined terms: "Board" § 19-301
 "County" § 1-101 "Related institution" § 19-301
 "Hospital" § 19-301 "Secretary" § 1-101
