

(B) CONTENTS.

THE SECRETARY SHALL INCLUDE ON EACH LICENSE THAT THE SECRETARY ISSUES:

(1) THE NAME OF THE HOSPITAL OR RELATED INSTITUTION; AND

(2) THE CLASSIFICATION OF THE HOSPITAL OR RELATED INSTITUTION.

REVISOR'S NOTE: Subsection (a) of this section is new language derived without substantive change from the first sentence of former Article 43, § 560(a). It is rephrased to state that the Secretary is required, not merely authorized, to issue a license to a qualified applicant. It also reflects that there are statutory requirements that the applicant must meet. See also § 19-319 of this subtitle.

Subsection (b) of this section is new language added for clarity. It is based on § 19-307 of this subtitle, which establishes classes of hospitals and related institutions, and § 19-320(b)(3)(iii), which requires the application to set forth the classification of the proposed hospital or related institution.

In subsection (a) of this section, the former reference "regardless of type of ownership" is deleted as unnecessary.

As to inspections of hospitals or related institutions before issuance of a license, see § 19-308 of this subtitle.
