MESSAGE FROM THE CHIEF EXECUTIVE

June 1, 1982

The Honorable Benjamin L. Cardin  
Speaker of the House of Delegates  
State House  
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 1277.

As originally introduced, the bill would have prohibited a person from burning used oil unless it was refined and the emissions from the burning met State and federal laws. As enacted, however, the bill eliminated the qualification that the used oil be refined, added exemptions to the prohibition on burning used oil at certain sources, and brought the use of used oil as a fuel within the regulatory scope of Section 8-1411.1(f) of the Natural Resources Article.

To protect the environment through further clarification of the law pertaining to the burning of used oil was the sponsor's purpose. That purpose has my full support.
