

8-403.

(d) (1) If a scenic or wild river flows through more than one county, the local advisory board shall consist of no more than the following members:

(i) Two residents of each county through which the scenic or wild river flows who [owns] OWN land contiguous to the scenic or wild river;

(ii) Two residents of each county through which the scenic or wild river flows who [does] DO not own land contiguous to the scenic or wild river;

(iii) Two representatives of the local governing body of each county through which the scenic or wild river flows; and

(iv) A representative of each soil conservation district through which the scenic or wild river flows.

8-704.

(b-1) The Department shall adopt rules and regulations governing the following:

(1) The numbering of vessels for identification, safety equipment on vessels and operations of any vessels subject to this subtitle so that each vessel complying with the rules and regulations may be operated with equal freedom or under similar requirements on all waters of the State. The numbering system used shall conform to the one adopted by THE federal government. These rules and regulations may not conflict with any federal law, or rule and regulation applicable to vessels on the waters in the State;

8-707.

There is a [Waterways] WATERWAY Improvement Fund for the purposes specified in this subtitle. Except as provided in § 8-709, any money received into the [Waterways] WATERWAY Improvement Fund shall be used solely for the following projects:

(1) Marking channels and harbors, and establishing aids to navigation in cooperation with and as an extension of operations of the United States Coast Guard;

(2) Clearing debris, aquatic vegetation, and obstruction from waters of the State;

(3) Dredging channels and harbors and construction of jetties and breakwaters in cooperation with and as an extension of operations of the United States Army Corps of Engineers;

(4) Constructing marine facilities beneficial to the boating public;
