

(1) The Board of Public Works may borrow money and incur indebtedness on behalf of the State of Maryland through a State loan to be known as the Consolidated Downtown Fire Station Loan of 1983 in the aggregate principal amount of \$775,000. This loan shall be evidenced by the issuance and sale of State general obligation bonds authorized by a resolution of the Board of Public Works and issued, sold and delivered in accordance with the provisions of §§ 19 to 23 of Article 31 of the Annotated Code of Maryland (1976 Replacement Volume and 1982 Supplement, as amended from time to time).

(2) The bonds issued to evidence this loan or installments thereof may be sold as a single issue, or may be consolidated and sold as part of a single issue of bonds under § 2B of Article 31 of the Code.

(3) The actual cash proceeds of the sale of the bonds shall be paid to the Treasurer and shall be first applied to the payment of the expenses of issuing and delivering the bonds unless funds for this purpose are otherwise provided and thereafter shall be credited on the books of the State Comptroller and expended, upon approval by the Board of Public Works, for the following public purposes, including any applicable architects' and engineers' fees: as a grant to the City of Annapolis for the purpose of assisting in the acquisition of property, design and construction of a Consolidated Downtown Fire Station.

(4) There is hereby levied and imposed an annual State tax on all assessable property in the State in rate and amount sufficient to pay the principal of and interest on the bonds as and when due and until paid in full, such principal to be discharged within fifteen years of the date of issue of the bonds.

(5) Prior to the payment of any funds under the provisions of this Act and for the purposes set forth in Section 1(3) above, the City of Annapolis shall provide at least an equal and matching fund of \$775,000. No part of an applicant's matching fund may be provided, either directly or indirectly, from funds of the State, whether appropriated or unappropriated. No part of the fund may consist of real property, in kind contributions, or funds expended prior to the effective date of this Act. In case of any dispute as to what money or assets may qualify as matching funds, the Board of Public Works shall determine the matter, and the Board's decision is final. The City of Annapolis has until June 1, 1985, to present evidence satisfactory to the Board of Public Works that the matching fund will be provided. If satisfactory evidence is presented, the Board shall certify this fact to the State Treasurer and the proceeds of the loan shall be expended for the purposes provided in this Act. If this evidence is not presented by June 1, 1985, the proceeds of the loan shall be applied to the purposes authorized in Article 78A, § 3 of the Code.
