The proceeds of the sale of bonds [issued under this section] to be expended within or for the benefit of that portion of the district within Montgomery County shall be expended only upon the recommendation of the members of the Commission from Montgomery County. In like manner, the proceeds of the sale of bonds issued to be expended within that portion of the district within Prince George's County shall be expended only upon the recommendation of the members of the Commission from Prince George's County.

[(i) The Commission may utilize and expend the remaining funds received from the sale of bonds known as Little Falls Branch Park Development Bonds, Series CC, issued in the aggregate face amount of \$250,000 and dated July 1, 1956, the funds to be expended either for the improvement and development of Little Falls Branch Park, as originally intended at the time of the issuance of the bonds, or, in the discretion of the Commission for any other purposes for which it is authorized by law to issue bonds, including among others the acquisition of lands or other property.

(j)] (F) (1) For the purpose of paying the cost of any facilities in Prince George's County, for the use or benefit of which the Commission proposes to make or authorize a charge, and which will comprise an integral part of the park and recreation systems of the Commission, authority is conferred on the Commission, in addition to all authority conferred elsewhere in this [chapter] TITLE to issue its bonds payable as to principal and interest solely or in part from the net or gross rents or revenues realized by the Commission from any such facilities. These bonds shall be designated revenue bonds; the amount thereof which may be issued at any one time shall be limited only by the cost of the facilities[,] to be financed with the proceeds thereof and there may not be a limitation on the aggregate amount of such bonds which may be outstanding at any one time.

(2) As used in this subsection, the following words have the meanings indicated:

(A) "Facility" means any improvement or addition to the park or recreation systems of the Commission for the use or enjoyment of which the Commission has determined to make or authorize a charge or fee, or from which it has contracted to collect rent based on any such charge or fee, provided a similar fee or charge is made for similar improvements constructed elsewhere in the park or recreation system. It includes, but is not restricted to, swimming and bathing facilities, ice skating rinks, and all buildings, structures, parking areas, and equipment necessary and incidental to any of the foregoing. It does not include roads, drives or highways, sanitary facilities or equipment except to the extent necessary for the service of any facility, nor does it include schools or other structures for general education, facilities for the sale
