

(I) THE GOVERNING BODY CONSIDERS A REVISION OR AMENDMENT NECESSARY; OR

(II) THE DEPARTMENT REQUIRES A REVISION OR AMENDMENT.

(2) BEFORE A COUNTY GOVERNING BODY ADOPTS ANY REVISION OR AMENDMENT TO ITS COUNTY PLAN OR ADOPTS A NEW COUNTY PLAN, THE GOVERNING BODY SHALL:

(I) GIVE THE PRINCIPAL ELECTED OFFICIAL OF EACH MUNICIPAL CORPORATION THAT IS AFFECTED NOTICE AND AN OPPORTUNITY TO BE HEARD WITH RESPECT TO THE PROPOSED COUNTY PLAN, REVISION, OR AMENDMENT; AND

(II) PROVIDE A REASONABLE OPPORTUNITY FOR A PUBLIC HEARING WITH RESPECT TO THE PROPOSED COUNTY PLAN, REVISION, OR AMENDMENT.

REVISOR'S NOTE: This section is new language derived without substantive change from former HE § 9-502(a) and the first clause of the first sentence and the entire second sentence of § 9-513.

Subsection (a)(1) of this section is new language added to state expressly the intent behind former HE §§ 9-502(a) and 9-511(a), which required each county, inter alia, to submit its county plan to the Department for action. Even though each county governing body adopts its own county plan, the Department, in practice, also must approve the plan for it to be effective. Cf. former HE § 9-511(b), which stated that the county plan "is effective immediately on approval by the approving authority subject to revision or other appropriate action by the Secretary". No substantive change is intended by this addition.

Subsection (a)(2) of this section is new language added to state expressly the intent behind the second sentence of former HE § 9-513, which required each county governing body to submit to the Department a report covering the 10-year period next following the adoption of the county plan by the county governing body. This addition conforms to the administrative practice of the Department. No substantive change is intended.

In subsection (a)(3)(v) of this section, the former term "refuse" is deleted as included in the definitions of "solid waste" and "litter".
