REVISOR'S NOTE: This section is new language derived without substantive change from former HE § 9-512(a) and (b).

Throughout this section, "water supply system" and "sewerage system" are substituted for the former phrase "individual or community water supply or sewerage systems" to conform to § 9-510(b)(2) of this subtitle. No change of substance is intended. This substitution is brought to the attention of the General Assembly.
