

(H) SUBMISSION OF COUNTY PLAN TO DEPARTMENT.

AFTER THE TIME PERIODS REQUIRED FOR ADOPTION UNDER THIS SECTION, THE COUNTY COUNCIL OF EACH COUNTY SHALL SUBMIT TO THE DEPARTMENT, AS REQUIRED BY § 9-506(B) AND (C) OF THIS SUBTITLE:

- (1) THE COUNTY PLAN; OR
- (2) ANY REVISION OR AMENDMENT TO THE COUNTY PLAN.

REVISOR'S NOTE: Subsection (a) of this section is new language added to state expressly that the provisions of this section apply only in Montgomery County and Prince George's County.

Subsections (b) through (h) of this section are new language derived without substantive change from the first through fourth and the eighth through fourteenth sentences of former HE § 9-502(b) and (c), respectively, the second clause of § 9-505(a)(9), and the second clause of the first sentence of § 9-513.

In subsections (b) and (c) of this section, the references to the annual review of the statement of objectives and policies by the county councils and the annual review of the county plans by the county executives are substituted for the annual review of the county plans "by the governing body of the county", for clarity. No change of substance is intended by these substitutions.

In subsection (c)(2) of this section, the reference to revisions or amendments to county plans that are reviewed and prepared "annually" in Prince George's County is added for clarity. Even though former HE § 9-502(b) stated that these revisions be prepared but gave no time schedule for this preparation in Prince George's County, the second clause of former HE § 9-505(a)(9) stated expressly that "annual amendment or revision" be prepared in both Montgomery County and Prince George's County.

In subsection (c)(3) of this section, the reference to "any revision or amendment" to the county plan be submitted to the county council is added to conform to the intent of former HE § 9-502(b) and (c) and to administrative practice in this regard. No change of substance is intended.
