

and developmental disabilities facilities.

(4) (a) For the purposes of this Act, "facility" means a public community mental health center component, addiction facility, mental retardation facility, or developmental disabilities facility wholly owned by and operated under the authority of a county or municipality or both, or a nonprofit community mental health center component, addiction facility, mental retardation facility, or developmental disabilities facility wholly owned by and operated under the authority of a nonprofit organization.

(b) For the purposes of this Act, "nonprofit organization" means:

(i) A bona fide religious organization, no part of the earnings of which inures to the benefit of any individual or is used for any purpose other than the maintenance and operation of the facility or the purchase of equipment to be used in the facility or the expansion of the facility; or

(ii) An organization chartered as a nonprofit corporation, no part of the earnings of which inures to the benefit of any individual or is used for any purpose other than the maintenance and operation of the facility or the purchase of equipment to be used in the facility or the expansion of the facility, and classified by the federal Internal Revenue Service as nonprofit.

(c) Prior to the approval of any grant under this Act for any facility, the applicant shall file with the State Department of Health and Mental Hygiene:

(i) A financial statement setting forth the personnel employed or to be employed at the facility, all remuneration and perquisites for personal services and other expenses paid or to be paid, and the expenses incurred or to be incurred in operating the facility; and

(ii) The schedule of rates charged or to be charged for services rendered.

(d) The Secretary of Health and Mental Hygiene shall promulgate rules and regulations to carry out the intent of this Act. These rules and regulations shall provide for certified annual financial statements from each facility and may provide for other reports. This information shall be required annually for at least the term of the bonds authorized by this Act.

(e) Any public or other nonprofit entity sponsoring the construction of a new facility or the expansion of an existing facility in this State may apply to the State Department of Health and Mental Hygiene for a State grant toward the cost of that project. The allocation and use of State funds under this Act shall be subject to the following provisions:
