

housing, preserving established neighborhoods, and maintaining a sound tax base.

(2) A large number of county residents have been and will be subject to hardship in finding decent, safe, and sanitary housing unless new facilities are constructed and existing housing, where appropriate, is rehabilitated. Unless the supply of housing and the ability of low and moderate income persons and families to obtain mortgage financing is increased significantly and expeditiously, a large number of residents of Allegany, Anne Arundel, FREDERICK, Kent, Washington, and Worcester counties may be compelled to live in unsanitary, overcrowded, or unsafe conditions to the detriment of the health, welfare, and well-being of these persons and of the whole community of which they are a part. By increasing the housing supply of the counties and the ability of low and moderate income persons and families to obtain mortgage financing, the clearance, replanning, development and redevelopment of blighted areas will be aided, the critical shortage of adequate housing will be ameliorated, and the ability to preserve and utilize existing housing and neighborhoods will be greatly enhanced.

(3) A major cause of this housing crisis is the lack of funds at borrowing costs which are at a level whereby low and moderate income persons and families can afford to own and maintain decent, safe, and sanitary housing. An additional major cause of a housing crisis is the lack of funds available to finance housing by the private mortgage lending institutions of the State. This lack of funds has frustrated the maintenance, sale, and purchase of existing residences in Allegany, Anne Arundel, FREDERICK, Kent, Washington, and Worcester counties.

(c) In this section:

(2) "County" means a county that has adopted the optional powers of home rule provided under Article XI-F of the Constitution and Anne Arundel, FREDERICK, and Washington counties.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 1983.
