

used by the said companies only for the purpose of purchasing, operating, and repairing fire apparatus and equipment; provided, however, that no payments shall be made to any company which has any regulations or resolutions limiting the territory within which it will respond to calls.

(c) Each fire company receiving county funds shall provide an accounting of the expenditures of such funds to the county commissioners.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 1983.

Approved April 12, 1983.

CHAPTER 59

(House Bill 1063)

AN ACT concerning

Somerset County - County Roads Engineer

FOR the purpose of providing that the Somerset County Roads Board may appoint a County Roads Engineer, rather than requiring the Board to appoint an engineer.

BY repealing and reenacting, with amendments,

The Public Local Laws of Somerset County
Section 78
Article 20 - Public Local Laws of Maryland
(1977 Edition, as amended)

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Laws of Maryland read as follows:

Article 20 - Somerset County

78.

The County Roads Board [shall] MAY appoint a County Roads Engineer. [The] A County Roads Engineer must have a degree in Civil Engineering or must have had at least ten (10) years' practical experience in constructing roads in a supervisory capacity. He shall serve at the pleasure of and he may be dismissed by the County Roads Board for proper cause. He is subject to the authority of the County Roads Board and has charge of making surface plats, profiles and specifications for the grading, drainage, maintenance, repair and construction of the
