 Acquire land and prepare detailed plans and specifications for a medium-security correctional institution containing not more than 1,500 cells to be located at a site selected by the Governor. In making the site designation, the Governor shall give consideration to the prison selection criteria developed by the Executive Task Force on Prison Construction. The Governor shall report the site selection to the Legislative Policy Committee prior to expenditure of funds from the appropriation. In this paragraph, Section 1(7) of this Act does not apply.

1,000,000

Land acquisition.....	500,000
