(4) There is hereby levied and imposed an annual State tax on all assessable property in the State in rate and amount sufficient to pay the principal of and interest on the bonds as and when due and until paid in full, such principal to be discharged within fifteen years of the date of issue of the bonds.

(5) Except as otherwise provided in this Act, no department, board, commission, agency, or institution named in this Act shall begin any work with funds secured pursuant to this Act unless satisfactory assurances are made to the Board of Public Works that the work described in the individual items in this Act can be completed with the funds specified for each such item respectively.

(6) Where federal funds may be available to help accomplish any specific project identified in this Act, the using department or agency shall formally advise the Board of Public Works that efforts have been made through proper administrative procedures to obtain such federal funds, and the reason, if any, why the federal funds were not obtained. Federal funds, if they are allocated, shall be used to defray the cost of the project, not to expand its scope.

(7) For any project listed in Section 1(3) of this Act for which preliminary planning funds are appropriated and for which the program required by Section 10(b) of Article 88C of the Annotated Code (1979 Replacement Volume and 1982 Supplement) has not been prepared, the appropriate State agency shall submit a program to the Department of State Planning for approval before the planning funds may be expended. For any project listed in Section 1(3) of this Act for which funds for construction are appropriated and for which the preliminary plans and outline specifications required by Section 10 of Article 15A of the Annotated Code (1981 Replacement Volume and 1982 Supplement) have not been prepared, the appropriate agency shall submit the plans
