

BILL NO. 52-81

AN ACT to amend Chapter 2, title "Administration" of the Montgomery County Code 1972, as amended, by amending Article 5, title "County Board of Appeals", Section 2-108, title "Created; composition; interview; appointment and term of members; disclosure of interests", subsection (b)(3), for the purpose of reinstating the requirement that there be public disclosure of certain testimony, which regulation was inadvertently eliminated by previous legislation.

Effective Date March 1, 1982.

BILL NO. 57-81

AN EMERGENCY ACT to repeal in its entirety Chapter 17, title "Electricity," of the Montgomery County Code 1972, as amended, and to enact in its place a new Chapter 17, title "Electricity," to provide generally for requirements for the installation, repair and maintenance of electrical installations and equipment within the County; rule-making procedures for Executive rules and regulations adopted pursuant to specific authority granted in this Chapter; administrative and enforcement authority; unlawful maintenance of installations; general standards applicable for all electrical installations and equipment within the County; penalties for violating provisions of this Chapter and its rules and regulations; authority for emergency disconnections; the Board of Electrical Examiners, its composition and related duties and responsibilities; licensing procedures for electrical contractors, master electricians, master electricians limited, journeyman electricians; and registration of apprentice electricians; requirements for obtaining permits to install or repair electrical equipment and/or installations within the County; procedures for inspecting permitted installations within the County; general standards and requirements for fire alarm systems within the County; specific authority delegated to the County Executive to set forth detailed rules and regulations pertaining to fire alarm systems and burglar alarm systems and specific authority delegated to the County Executive to adopt, subject to Council approval, detailed standards and requirements for electrical installations based upon a designated edition of the National Electrical Code.

Effective Date May 14, 1982.

BILL NO. 58-81

AN ACT to amend Section 31-5, title "Driving over curbs,
