

LOCAL HEALTH ADMINISTRATION

1983 DEFICIENCY APPROPRIATION

32.01.03.02 General Local Health Services

To become available immediately upon passage of this budget to supplement and adjust the appropriations for fiscal year 1983 to provide Federal Funds in lieu of General Funds due to the increased availability of Federal Funds under the Maternal and Child Health and Preventive Health Block Grants.

General Fund Appropriation.....

-320,000

Federal Fund Appropriation, ~~provided---that---federal---funds received-in-excess-of-the-federal funds---appropriation---from---the Maternal---and---Child---Health---and Preventive---Medicine---Block-Grants shall-not-be-expended---but---shall be---placed---in---the---federal-fund reserve-for---those---block-grants until---the-reserve-fund-for-these block-grants-is-increased---by---an amount---equivalent---to-the-fiscal year-----1983-----deficiency appropriations:-----After---the reserve---fund---for---these---block grants---is-increased-by-an-amount equivalent---to---the---fiscal---year 1983---deficiency---appropriation, any-additional-excess---funds---may be---made---available---by---approved budget-amendment-.....~~

320,000

provided that except for federal funds received for the following block grants pursuant to the Emergency Appropriations Act of 1983 (HR 1718) the federal funds received in excess of the federal funds appropriation from the Maternal and Child Health and Preventive Medicine Block Grants shall not be expended but shall be placed in the federal fund reserve for those block grants until the reserve fund for those block grants is increased by an amount equivalent to the fiscal
