

(iii) Reasonably reimburses for the services exchanged between the [division] DIVISION and State [use industries] USE INDUSTRIES; and

(iv) Provides meaningful work experiences for offenders intended to improve work habits, attitudes, and skills with the objective of improving the employability of the offender upon release[.];

(2) Has as an objective the development of industries that provide full-time work experience or rehabilitation programs for all eligible Division of Correction inmates[.];

(3) Provides AN environment for the operation of correctional industries that resembles the environment for the business operations of a private [corporation] CORPORATE entity as closely as possible; and

(4) Makes the Division of Correction responsible for and accountable to the Secretary of Public Safety and Correctional Services and the Governor for State [use industries] USE INDUSTRIES programs in the State.

681B.

The State Use Industries Advisory Committee shall:

(1) Recommend the establishment and maintenance of industrial plants and service centers to be used for implementing the programs developed by the Commissioner and general manager pursuant to § [681B] 681C of this subheading. These industrial plants and service centers shall be operated primarily with inmates in a manner beneficial to the State and to the training of inmates through providing services or manufacturing, processing, or producing goods that are practical and adaptable for prison industry. These industrial plants and service centers shall provide services and goods that are likely to be needed and used by:

(i) State institutions or agencies;

(ii) Political subdivisions of this State;

(iii) Any federal institution or agency; or

(iv) Any institution, agency, or political subdivision of another state;

(2) Advise upon specific proposals by State [use industries] USE INDUSTRIES to establish new industries and to improve the quality and quantity of the job training programs;

(3) Review the operation of State [use industries] USE INDUSTRIES programs to determine if undue competition with private enterprise exists, and recommend adjustments necessary to prevent undue competition;
