provided that except for federal funds received for the following block grants pursuant to the Emergency Appropriation Act of 1983 (HR 1718) the federal funds received in excess of the federal funds appropriation from the Alcohol, Drug Abuse and Mental Health Block Grant shall not be expended but shall be placed in the federal fund reserve for those block grants until the reserve fund for those block grants is increased by an amount equivalent to the fiscal year 1983 deficiency appropriations. After the reserve fund for those block grants is increased by an amount equivalent to the fiscal year 1983 deficiency appropriations, any additional excess funds may be made available by approved budget amendment. Provided further that if the Governor determines it is imperative for the excess federal funds to be expended and not be placed in the federal fund reserve, the Governor shall submit this request to the Legislative Policy Committee for approval or disapproval.
