

(1) The type of 911 system desired for the county or multicounty area, including the type of equipment to be used and the associated costs;

(2) The location of the emergency services answering point and the county or multicounty agency or organization responsible for operating the emergency services answering point;

(3) A listing of those public safety agencies whose services will be available through the 911 system;

(4) The personnel determined necessary to operate and maintain the 911 system; and

(5) The educational efforts the county will undertake to acquaint the general public with the availability and proper use of the 911 system.

(b) [In the case of those] THOSE counties which do not seek funding or reimbursement for THE COST OF INSTALLING a 911 system [each county] shall submit a report to the Board by July 1, 1985 containing the same information required in the county plans DESCRIBED IN SUBSECTION (A) OF THIS SECTION.

204H-5.

(a) There is [established the] A 911 Trust Fund created for the purpose of providing grants to the counties to finance the installation of a ["911 system"] on a statewide basis and providing grants to the counties to finance ["enhancements"] to a ["911 system"] 911 SYSTEM AND TO PAY COSTS OF MAINTAINING AND OPERATING 911 SYSTEMS SUBJECT TO THE LIMITATIONS AND CONTROLS PROVIDED IN THIS SUBTITLE. MONEYS IN THE 911 TRUST FUND SHALL BE HELD IN THE STATE TREASURY.

(b) For purposes of this subtitle, there is [established] a 911 fee[,] to be paid by the subscribers to SWITCHED LOCAL EXCHANGE ACCESS telephone service. THE 911 FEE IS 10 CENTS PER MONTH PAYABLE AT THE TIME WHEN THE BILLS FOR TELEPHONE SERVICE ARE DUE. The Public Service Commission shall [set the amount of the fee and] direct the telephone companies to add [it] THE 911 FEE to all CURRENT bills rendered for SWITCHED LOCAL EXCHANGE ACCESS telephone service in the State [on and after July 1, 1980 through June 30, 1983. After June 30, 1983, this fee may not be imposed]. The telephone companies shall act as collection agents for the [State] 911 TRUST FUND with respect to the fee, and shall remit all proceeds to the [State] Comptroller. THE TELEPHONE COMPANIES SHALL BE ENTITLED TO CREDIT AGAINST THE PROCEEDS OF THE 911 FEE TO BE REMITTED AN AMOUNT EQUAL TO 1-1/2 PERCENT OF THE 911 FEE TO COVER THE EXPENSES OF BILLING, COLLECTING, AND REMITTING THE 911 FEE AND ANY ADDITIONAL CHARGES. [The Comptroller shall collect the proceeds from the telephone companies at intervals determined by him and shall place the proceeds in the 911 Trust Fund as defined herein.] AS RECOMMENDED-BY-THE-BOARD; AFTER JULY 1, 1983, THE SECRETARY SHALL
