

that date unless renewed. The secretary of the Board shall notify by regular mail every person certified under this subtitle of the date of expiration of his certificate, and the amount of the fee required for its biennial renewal. The notice shall be mailed to the registrant at his last known address at least one month in advance of the date of the expiration of the certificate. Failure to receive notice does not prevent the certificate from becoming invalid after the expiration date. Renewal may be effected at any time prior to July 1 by the payment of a fee of \$40 for professional land surveyors and \$30 for property line surveyors. Renewal shall be evidenced by the issuance of a biennial registration card, bearing the date of expiration and the signatures of the chairman and secretary of the Board. On failure of any registrant to renew his certificate biennially prior to July, as required above, his right to practice shall be invalidated, but the certificate may be renewed at any time within the next succeeding 24 months upon the payment of a fee of \$50 for professional land surveyors and \$40 for property line surveyors. Renewal shall be evidenced by the issuance of [an] A biennial registration card, bearing the date of expiration and the signatures of the chairman and secretary of the Board. If any registrant fails to renew his certificate within the 24 month period provided above, and later applies for renewal, he may be required to present reasons for the renewal. The Board may grant a renewal of the [certificate] CERTIFICATE, in which case the renewal fee is the same as the registration fee for professional land surveyors [and] OR for property line surveyors.

453.

(a) The Board of Commissioners may make such rules and regulations for the enforcement of the provisions of this subtitle and for the performance of their duties hereunder, from time to time, as in their judgment they may deem necessary, and they may provide for the examination of applicants for journeyman plumbers' certificates or permits, and for the issuing of certificates or permits to journeyman plumbers after passing such examination as the Commissioners may deem proper. The Commissioners shall designate them either "certificates" or "permits", as they may deem proper. They shall provide for the issuing of permits to apprentices, but journeyman plumbers and apprentices shall be authorized to work only under the direction and control of a duly certified master plumber. The [certificate] CERTIFICATES or permits shall be so framed as to show that journeyman plumbers and apprentices are authorized to work only as above provided.

462.

The Board of County Commissioners of Frederick County may:

(2) Adopt rules and regulations to:

(i) Authorize licensed appliance installers to perform the plumbing work incidental to the installation of appliances;
