CHAPTER 132

(Senate Bill 446)

AN ACT concerning

Health Services Cost Review Commission - Funding

FOR the purpose of establishing a system of financing the Health Services Cost Review Commission based on user fees collected from hospitals and related institutions subject to the Commission's jurisdiction, funds provided by the federal government, and funds appropriated by the State; providing a certain formula for the assessment of user fees with a certain dollar limitation on the total user fees which may be collected for any fiscal year; providing that user fees may be used to defray certain costs of the Commission; providing for certain methods of making payment and for the assessment of interest on late payment; authorizing the Department of Health and Mental Hygiene to request a State appropriation, in addition to funds collected as user fees or received from the federal government, to be used for the necessary support of the Commission; providing for the termination of the financing system within certain periods under certain conditions; and generally relating to the financing of the Health Services Cost Review Commission.
