

11A.

(a) Any Maryland resident who is the holder of an original or reciprocal certificate of "certified public accountant," but who is not required to obtain a biennial enrollment certificate, shall register specially with the Board on a biennial basis. Such registration shall be accompanied by a fee, not to exceed [\$10] \$40, and shall expire biennially on the last day of December of each even-numbered year.

(b) Any holder of an original or reciprocal certificate who fails to register as required by this section may not be permitted to register for any subsequent year until the current registration fee, plus an amount equal to the total of the registration fees for the intervening years but not to exceed [\$15.00] \$60, is paid to the Board. The Board may revoke or suspend the original or reciprocal certificate of any holder who fails to register with the Board for a period of three successive years.

## Article 4 - Baltimore City

4-2.

The board has general supervision of all stationary engineers within the State, except as hereinafter provided. The Board shall examine all engineers who are 21 years old or older and apply for examination and shall give all parties so examined a certificate of proficiency if found proficient, and refuse to give a certificate if not found proficient. Each person applying for the examination shall pay the Board the following fee; \$20 for the first grade, \$15 for the second grade, \$10 for the third grade and \$10 for the fourth grade. Each person receiving the certificate shall pay to the Board \$15 for the certificate issued and [\$20] \$30 [or] FOR all renewals of all grades. The certificate shall be of four grades: a certificate of the first grade will permit the holder to take charge of any plant machinery; the second grade to take charge of any plant machinery from one to five hundred horse-power; the third grade to take charge of any plant of machinery from one to thirty horse-power; and the fourth grade to take charge of any hoisting or portable plant of machinery. The certificate shall be renewed biennially on or before the first day of February of each odd-numbered year. An engineer holding a certificate may not have charge of more than one plant of machinery at the same time unless the plant is of the same company and at one and the same place. A substitute who has not been examined and received a certificate may not be placed in charge of machinery by any engineer who has.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect June 1, 1983.
