

imposition and collection of a sanitary district benefit assessment until it is served by or connected to the Commission's water or sanitary sewerage system, as the case may be. When the exemption or suspension condition is no longer applicable pursuant to those provisions which established the exemption or suspension, any land or property exempted from or with respect to which there is a suspension of benefit charges shall be classified for benefit charge assessment purposes in its then current class and become liable to a benefit assessment charge at a rate and for a period of time the same as properties first classified or assessed in that year, but not less than the rate and number of years which would have applied at the time of exemption or suspension. The receipts from benefit charge assessments for properties with respect to which the benefit charge was exempted or suspended for a period of years shall be used by the Commission to amortize any bonds issued for the purpose of constructing or acquiring the water and sewer lines for which benefit charges are levied under the provisions of this chapter or for constructing or acquiring other water and sanitary sewer lines for which benefit charges are levied.
