

At a Court of Chancery held at Amersley November 19 1658

Present the Hon^{ble} Col^{le} Henry Jovell Esq^r & Samuel Young Justice } John Freeman Esq^r

This being a Court accidentally held & occasioned by an Injunction granted to William Holland upon his Petition to y^e Chancery, y^e only Cause heard was y^e of

William Holland }
ag^t }
Wm Dunt Attorney }
for y^e said Maj^{ty} }
Henry William &c }

Injunction was issued & by forcing thereof in y^e pro-
venciall Court y^e Compt^{rol} intended to stop Judgment
ag^t him in y^e Court / But after y^e reading of y^e
Compt^{rol} Petition upon wch y^e Compt^{rol} obtained y^e writ
of Injunction) & likewise y^e answer of Wm Dunt Attor-
ney for y^e said Maj^{ty} in open Court by y^e Regist^r
several other papers & Letters were read for & on behalf of
y^e Wm Dunt Esq^r for y^e King

By which it appeared to y^e Court y^e y^e Dunt's answer was
true in all particulars. Moreover y^e Dunt swore to y^e answer
in open Court, as is now entered at y^e foot of y^e answer
attested by y^e Regist^r. But withall protested against such oath
on behalf of y^e King for y^e future, there being no obligation
on him to swear in such case

Upon y^e whole, the Court, finding y^e divers suggestions in y^e
Compt^{rol} petition, on wch he obtained y^e Injunction, were false &
likewise y^e granting of y^e Injunction was illegal being in a
Cause for his Maj^{ty} Interest upon a Bond payable to his Majesty
& no more demanded by y^e attorney for y^e King than
y^e just Debt due & y^e Legall Interest for y^e time of y^e detaining
thereof, (being Eight of Cent) do therefore dissolve y^e Injunction
Reserving to y^e Compt^{rol} all just & equitab^l Relief for any pro-
ceedings against him contrary to equity, when sought for by any
due & proper Measures /

The Court as was formerly intended, will sit again y^e 23rd
of Feb^r next
