

John Snuggs

And about forty two years or thereabouts being sworn before us upon the Holy Evangelist  
 faith that he was with Coll: Jn: Addison and M: George Thompson of St: Marys County some hundred  
 the 9<sup>th</sup> Day of November last when the said Thompson was brought to testify the bounds of a tract of  
 Land belonging to M: Nolly Rogers called Admirathosa he being the first taker up of the said tract of Land  
 The Beginning bound tree of which is also the beginning bound tree of Coll: Jn: Addisons Land called first  
 Elizabeth, and being brought to a White Oak by Potomack River on the North side of an  
 Ashon Swamp near an Indian field w<sup>ch</sup> Swamp is the fourth Swamp above a high point of Land in  
 the said Rogers Land now known to us by the name of the Hollowing Pointe where M: George Thompson  
 caused me to sit down by the Root of the said White Oak and Write what he declared as to the Tree saying  
 that he was old and could not expect to live long; But that I might live to see it in Catowery Whereupon  
 he took off his hat and did declare in presence of God Almighty and as he hoped to enter into the  
 Kingdom of Heaven, That he did really in his Conscience believe that Tree above Express'd to be  
 the first bound tree and Beginning of the said two tracts of Land, adding that if it was not the very tree  
 he was positive that it did stand within twenty or twenty five paces of that tree, neither to the Northward east  
 ward nor Southward, but if any way nearer the River all w<sup>ch</sup> he did most solemnly affirm with many a  
 protestation charging me to take such Notice that I might be able to testify that I had seen & declare  
 it when I might be called thereto, (when he was dead.) There being no other Man living but himself  
 that was at the bounding of y: S: Tree, as he then said and further your Depoant said not  
 Jn: Snuggs

John Watkins

And Thirty Eight Years or thereabouts being sworn before us upon the Holy Evangelist faith, that  
 Coll: Jn: Addison having obtained a Commission out of the High Court of Chancery to Summon Capt: George  
 Thompson to give his Evidence to the bounds of a tract of Land called Admirathosa now belonging to M:  
 Nolly Rogers but first taken up by the said Capt: George Thompson who being brought there an Evidence the 23<sup>rd</sup>  
 Day of June 1702 my self with several others was present at a bounded White Oak that standeth near an  
 Ashon Swamp in an Indian field w<sup>ch</sup> Swamp is the fourth Swamp above a high Point of Land in the  
 said Rogers Land now known and called by the name of the Hollowing Pointe where Coll: Jn:  
 Addison demanded of Capt: George Thompson whether he thought that to be the first bound tree and Beginning  
 of the aforesaid tract of Land; Who after having his Oath duly administered by the Com: appointed did say  
 his mind on the bounded white Oak above Express'd and did there declare upon Oath that he did really in  
 his Conscience believe that to be the very tree, and being also asked by Coll: Addison whether they  
 crossed any Swamp in running the first Course did answer that they ran a straight East North East Course  
 neither traversing nor crossing any Swamp but ran on firm dry Ground a little ascending to the second  
 Tree being a White Oak and carrying us up the River abt a hundred yards to the Northward to  
 another Tree that is notched on four sides w<sup>ch</sup> had been shewn being by M: Rogers and Williams  
 Clarkson and did then positively declare as he was upon his Oath that that was none of the trees, but  
 the white Oak that stand by the Swamp was the Tree he caused to be bounded for the Beginning  
 tree of the said Land called Admirathosa he being convinced thereto by the knowledge he had  
 by the adjacent Land and Swamp. So that if that was not the very Tree he was positive it did  
 stand within twenty or twenty five paces of that tree. Neither to the Northward Eastward nor Southward  
 but if any way to the Westward nearer the River all which he declared upon Oath and further  
 Depoant said not. Jn: Watkins.

Alexander Harber

And Thirty one Years or thereabouts being sworn before us upon the Holy Evangelist faith  
 that Jn: Norris and himself was with M: Nolly Rogers and Coll: Jn: Addison 9: 11<sup>th</sup> Day of December  
 1702 when M: Rogers caused M: Hutchison to run out his Land called Admirathosa, and being brought  
 to a
