 his knowledge the head of the adjacent Land and Swamp and said the officer he came on
 the place the more he was confirmed that that was the tree and no other, and carrying
 up the River about a hundred Yards to the Northward to another Tree that is called
 an Saw Sider w^{ch} had been shown him by Roger and William William (Cathronard) did
 those positively declare as he was upon his Oath that that was none of the tree, but the
 White Oak w^{ch} stands by the Swamp side was the very tree he caused to be bounded for
 the Beginning Tree of the said Land, he being then positive to the Ground that if that
 was not the very tree he was sure and confident it did stand within twenty or twenty five
 paces of that Tree, neither to the Northward Eastward nor Southward, but if any way to
 the Westward nearer the River all w^{ch} he declared upon Oath and further go: Depone

Aged Thirty four years or there abouts being Sworn before us upon the Holy Evangelist with
 that he was with M^r Nobby Roger Coll: Ju: Addison and Lovell others the 11th Day of October
 1702 when M^r Roger caused M^r William Hutchison to run out his Land called Admi-
 ralthorsa and being brought to a bounded White White Oak that standeth near an
 Ashen Swamp by an Indian Corn field w^{ch} Swamp is the fourth Swamp above the
 high point of Land in the said Roger Land now known and called by the Name of
 following Point where Coll: Ju: Addison demanded of Capt: George Thompson
 who was the first Taker up of the Land called Admiralthorsa and being brought
 there an Evidence to testify the Bounds, whether he thought that to be the first
 bound Tree and Beginning of the aforesaid Tract of Land, Who taking off his Kilt
 laying his hand on the bound Tree did declare in the presence of God Almighty and
 as he hoped to enter into the Kingdom of Heaven that he did really in his Conscience
 believe that to be the very Tree, But if it was not the same Tree, he was confident it
 did stand within twenty or twenty five paces of that Tree and if any way nearer the
 River and being asked by Coll: Ju: Addison whether they crossed any Swamp in running
 the first Course of the said Land called the Admiralthorsa did answer that they ran
 a North East North East Course without travessing nor crossing any Swamp but run on
 firm dry Ground a little ascending to the bound Tree being a White Oak and further
