

543 and the Line by him the s^d Depo^t mentioned this Depo^t remember very well that about 12 years since Mary Truitt the Mother of the s^d Depo^t the s^d Line was the dividing Line between her and this Depo^t's Land (w^{ch} it was at that time) and this Depo^t further saith upon her s^d Oath taken, touching the bounds of the s^d Land late of W^m Sivick & Abner his part & that sometime the Land of Abraham Nailor that about 16 years since this Depo^t was showed a Gum Tree with two fair old stumps w^{ch} this Depo^t saw one on each side by the s^d Mary Truitt which is now down but the stumps said to be seen and w^{ch} stand at about 30 yards or nigh so much to the front w^{ch} of the fork at the head of a small branch w^{ch} s^d head comes a little below the Orchard on the s^d Nailor's Land & told by her to this Depo^t and said that she would lead to the same that the s^d Gum was one of the first Gum Trees between the s^d Sivick's Land & s^d Nailor's Land and further this Depo^t saith not.

Sworn before us the words foreward being first interlined this 17th day of April Anno 1705.

The Deposition of Jonathan Jones of Ann Arundell County Planter aged 32 years & a half touching the division between that part of Paschally's purchase that was W^m Sivick's & s^d part of the same Land that was Abraham Nailor's. —

The Depo^t being duly sworn upon the holy Evangelists saith that he was put to live with the s^d W^m Sivick as an Orphan Child very young not above 3 years old at this Depo^t has been informed & that he lived with the s^d W^m Sivick upon the s^d Land during the s^d Sivick's life time w^{ch} was about ten years after this Depo^t went to live with him and that since after the s^d William Sivick's death this Depo^t continued upon the s^d Land during John Sivick his son's life and after that until this Depo^t was 22 year old, and this Depo^t very well remember a marked Line to have passed from the Creek side into the Woods to the Westward and that that end towards the head to a bounded Locust and that that end into the Woods leads to a bounded Hickory standing on the South side of a hill that the s^d Line he hath often been informed by the s^d W^m Sivick was the dividing Line between him the s^d William and Abraham Nailor and that upon severall occasions this Depo^t by his s^d W^m Sivick has been ordered to fall timber near to the said Line upon W^m Sivick's side thereof & was never forbid to do the same either by the s^d Abraham Nailor nor by any other person Owner of the s^d Land during the time this Depo^t lived upon the same nor did this Depo^t know of any other bounds of the s^d Land to be between the said William Sivick and the s^d Abraham Nailor than what he hath above mentioned unless about five years
