

Search amongst the Records of Prince Georges County aff^r
 found the inrollment of Deed from Charles Calvert Son and
 Heire to the said William Calvert whereby the very same
 parcel of Land as aforesaid conveyed to the said James
 Heath, is made over in Fee from the said Charles to Richard
 Calvert which gives the said James Heath great distrust and
 Misapprehension that the said James Heath had not perfect
 Title from the said William Calvert or any other drawing under
 him and consequently that the said James Heaths title from
 the said Charles Edgerton and Mary his wife might be defective
 but soe it was, if the said James Heath could not by any Law
 try the validity of his Title with the said Richard Calvert
 who drew his Title under the Heire at Law of the said Wm
 Calvert the Originall Patentee for y^e the said Richard nor the
 said James Heath was in Actuell possession of the said Land
 the same being possessed by a Nation of Indians who by some
 publick Act of State and Government upon Amity and Friendship
 settled Betwene the English and them were to enjoy the same
 during their residence thereon after they desert it to be possessed
 and enjoyed by such as drew a Regall Title under the Originall
 Patentee, soe that the said James Heath could not try at Law
 the Validity of his Title with the said Richard Calvert to the said
 Land until the said Nation of Indians removed their Settlement
 thence, which might not happen for many yeares to come and
 it being of very ill consequence to the said James Heath and
 his Heires to have the validity of his Title to the said Land tryed
 in such suspense and being only remediable in this Honorable
 Court therein before us where the said parties under whom
 he draws may be Compelled soe to clear the Title as to have
 made it past dispute in time to come or in Case they could
 not doe the same to have made the said James Heath
 Satisfaction and recompence for the defect thereof To all
 which he the said James Heath made Answer as followeth that
