

name, A bounded poplar he remembers also which is now standing
 about the Distance from the whole kill Road to New Eden this
 23 or 24 years, I never know any other bounded poplar on the said
 Blackbird Creek path and was informed that Isaac Wobson had bound
 a poplar on that path and this depon. knows no other bounded poplar
 on the said path And as to the said whole kill path this depon. shall
 know the same this 24 or 25 years to be that which until lately
 altered now at this time bears that name & near which said whole
 kill path stands the said poplar first in this Deposition named and
 further saith not.
