

day a Locust post set up marked with twelve Notches and told that that
the partition tree betwixt the Land of John Cooper and John Fuller and
further saith not.

Swore to this 20th day of Sep^r Anno 1711 - before me
M. S. [Signature]

Falbot John Cooper of Falbot County planter aged about thirty years
concerning the bounds of a Tract of Land called Miles End, saith, that he hath
heard several persons say that Second bounded Tree of a Tract of Land
called Miles End did stand Somewhere near John Kemp's Landing and
further saith that he this Depon. did see a Gum Tree standing in the
head of a Branch (at or near the place where there was this day a Locust
post set up marked with Twelve Notches) which Gum was Reported
the Tree from whence the Division Line betwixt the Land of William
Cooper and John Kemp's did Run and that he hath heard say, that this said
Gum did stand in or near the East Line which Runns from the Second
bounded Tree of the afo^d Land called Miles End, and further saith not

Swore to this 20th day of Sep^r 1711 before me M. S. [Signature]

Falbot George Madaway Sen^r of Falbot County, aged about fifty three -
years concerning the bounds of a Tract of Land called Miles End, saith,
that above Twenty years agoe he heard William Webb the Son of Antonio
Webb say, that the Second bounded Tree of the afo^d Land called Miles
End (being a pine) did stand some where near Catherine Scatons
Landing place, this deponent further saith, is the same which is
now called John Kemp's Landing and further saith not

Swore to this 20th day of Sep^r Anno 1711 - before me M. S. [Signature]
