

Then the Coupl. not allowing that a Line Drawne East as the Original Certificate Express's would ever come near the head of the Branch called D proved to be parkers Branch, but that the Said Branch lies a Considerable way to the Westward of the South Course Quite the Contrary way to the words of the Original Certificate he therefore Ordered me to close and Conclude this Survey by a Straight Line to the first Beginning as by the platt in the Black Lines appears containing One hundred forty and six Acres. —

And further according to the pretensions of the Coupl. in presence of the Defend. I have Resurveyed and laid out the Tract of Land called Gadlue Beginning at a white Oak Standing on the South Side of parkers Branch described in the platt at: E: from thence Instead of Running West one hundred perches I run West Sixty eight perches to the Stump of a Tree proved by the oath of Thomas Knighton to be the stump of one ancient bounded Tree which he allows to be the second bounded Tree of Gadlue described in the platt at: F: Thence I run North one hundred and fifteen perches to the Line of Marshes Seal described in the platt at: G: Thence Instead of Running East by the direction of the Coupl. I run East and by South to the line of Marshes Seal to Horning Creek described in the platt at: A: for the Beginning of Marshes Seal thence with a Straight Line to the first bounded Tree as by the Black Lines in the platt appears Containing Ninety seven Acres and Sekondly. —

I have also according to the pretensions of the Defend. in presence of the Coupl. Resurveyed and laid out the Tract of Land called Marshes Seal Beginning at the same Spot where the Coupl. began described in the platt at: A: and Run North Seventy five perches to the second bounded Tree described in the platt at: B: thence West by North three hundred and twenty perches to the same place the Coupl. runs to described in the platt at: C: Thence Seventy two perches South to the same place the Coupl. runs to described in the platt at: D: Thence according to the words of the Original Cert. I run East to a Small Branch which Issues out of the main Branch called parkers Branch which the Defend. alleges is that head of parkers Branch mentioned in his Original Certificate and which has been allowed to be by a Jury (upon the Spot) for ascertaining the Bounds of Lands during the force
