

By a Certain George Richardson then Surveyor to goe with him & assist him
 in Surveying of sundry Tracts of Land laid out for John Edmondson called -
 Calf pasture Scituate on the South Side of Great Choptank River in Dorchester
 County then called Talbot County Beginning at a marked Oaks, Standing on a point
 on the East Side of a small Creek that falls into the said River, Moor Calfa
 mile below a Creek called Secretarys Creek or Ferry Creek where a Certain Isaac
 Nichols now keeps Ferry, And the said Depoent saith on his oath afo that he
 with the assistance of one Richard Schoen did mark the Beginning Tree afo
 as also the said Depou. doth further on his oath declare that when the said
 Land was laid out for Edmondson as afo of the Indians lived on the said Land
 and that he doth not remember that any Indians at that time lived below
 the said Land, And the said William Willoughby doth further on his oath say
 that Twenty odd years since he was bound up the said Choptank River, and
 the wind blowing contrary he putt into the said small Creek, for a harbour &
 went ashore on the afo point and did then see the said marked Oaks Tree
 of said Land Calf pasture which was then fallen downe and part rotten,
 And that he did yesterday downe to the said Creek, and the said Beginning
 Tree of the said Land called Calf pasture as afo was quite gone, And further
 saith not.

The above Examination taken before us, as Witnesses our hands &
 Seals this Twentieth day of October Anno Domini 1711
