

8/15th

Sixty five years to the above said Bowdells White Oaks and having his oath administered by us the said Tyler and Craggett did declare that he hath known the said Bowdells White Oaks to be deputed the first bounded Tree of the said Tract of Land called Swansons Lott above thirty years and the Sunday the said Collier went to the said poplar and there declared on oath that he hath known the above said poplar deputed to be the last bounded Tree of the said Land called Swansons Lott above thirty years and that he was present with one Robert Jones Sursey at the surveying of the said Land and he began at the above said White Oaks and ended at the above said Poplar it then being said to be the last bounded Tree of the said Tract of Land called Swansons Lott, and the same day the said Collier went to the above said pair Tree and declared on oath that he was known the Tree that stood on the stump wherin the said pair Tree now grows to be the first bounded Tree of the said Bowdells Land called Color Spring Manor and further South not. Also the same day came Mr Hugh Rysoy aged about sixty years of age and made oath that he hath known the above said bounded White Oaks deputed to be the first bounded Tree of the said Tract of Land called Swansons Lott and a bounded Tree of the said Bowdells and Haacs Land above thirty years and the same day went to the said poplar and declared on oath that he hath known it deputed the last bounded Tree of the said Land called Swansons Lott above thirty years and the same day he also went to the said pair Tree and declared on oath that he hath known the Tree that grow on the stump wherin the said pair Tree is now growing to be a fair bounded Tree and said to be the first bounded Tree of the said Bowdells Land called Color Spring Manor and deputed to be the second bounded Tree of the said Land called Swansons Lott and further South not.

Sworne and Examined by us this South day of August 1710.

Robert Tyler

M^r Craggett
