

<u>budget committees detailing short-term and long-term solutions to the problem of overutilization of emergency rooms by persons with psychiatric illness. The report shall also include a clear articulation of the State versus private sector role in the provision of acute inpatient psychiatric services. If that articulated role involves a significant change to the current State or private sector role, the report should detail what is required to accomplish that change as well as a time-line for implementation. The Mental Hygiene Administration shall also detail the extent to which the solutions it proposes to ease emergency room overutilization by persons with psychiatric illness and the delivery system envisaged for acute inpatient psychiatric services is agreed to by all the appropriate providers and regulators. The Mental Hygiene Administration shall submit its report by December 1, 2006 and the budget committees shall have 45 days to review and comment</u>			6,029,721
