

CHAPTER 482

(House Bill 1149)

AN ACT concerning

State Board of Nursing - Electrologists - Licensure License Renewal and Discipline - Rehabilitation - Letter of Education - Advisory Letter

FOR the purpose of ~~providing for a certain exception from provisions of law relating to the discoverability and admissibility of certain proceedings, records, and files of a medical review committee so as to make certain advisory letters discoverable and admissible; altering the term for the license renewal of an electrologist's license; prohibiting the State Board of Nursing from renewing an electrologist's license if the electrologist has not completed certain continuing education requirements; authorizing for electrologists; requiring the State Board of Nursing to issue an inactive license to a certain licensee; authorizing the Board to send a letter of education to certain licensees under certain circumstances; authorizing the Board to send a letter to a person who files a complaint that advises the person of a certain action taken by the Board; authorizing the Board to give a licensee certain notice; authorizing the Board to make available to the public certain advisory letters; specifying that a certain Board action may not be considered disciplinary action and may not be reported to certain entities; authorizing the rehabilitation committee to evaluate or provide certain assistance to an applicant for licensure as an electrologist place a licensee on inactive status if the licensee fails to provide satisfactory evidence of compliance with certain continuing education requirements on renewal; specifying additional grounds for taking certain disciplinary actions against certain licensees and applicants subject to certain hearing requirements; and generally relating to the regulation of electrologists by the State Board of Nursing.~~
