

(1) THE APPLICANT IS EVALUATED AND RECOMMENDED FOR APPROVAL BY THE MEDICAL ADVISORY BOARD; AND

(2) THE APPLICANT SUCCESSFULLY COMPLETES A DRIVER'S TRAINING COURSE REQUIRED BY THE ADMINISTRATION.

(f) An individual issued a restricted driver's license under this section who has had vision correction surgery resulting in the individual's meeting the requirements for an unrestricted license may:

(1) Apply to the Administration for a corrected license without the vision restriction; or

(2) Until the time of a license renewal or issuance of a corrected license, carry written certification from a licensed ophthalmologist or optometrist that the individual meets the vision requirements for an unrestricted license under this section.

16-110.3.

(a) The Administration may only issue a restricted Class C noncommercial driver's license to an applicant who does not otherwise meet the vision standards under § 16-110.1 of this subtitle but:

(1) Has simultaneously:

(i) A visual acuity of worse than 20/70, but no worse than 20/100, in one or both eyes as determined by the Administration in consultation with the Medical Advisory Board; and

(ii) A continuous field of vision of at least 110 degrees and with at least 35 degrees lateral to the midline of each side; and

(2) Is recommended for consideration for licensure by the applicant's licensed ophthalmologist or optometrist in accordance with subsection (b) of this section and regulations of the Administration concerning limited vision licenses.

(b) The ophthalmologist's or optometrist's recommendation for an applicant seeking a license under this section shall be based on the best standard spectacle or contact lens correction in the applicant's better eye.

(c) (1) The Administration shall refer any application for a license under this section to the Medical Advisory Board appointed under § 16-118 of this subtitle for review.

(2) Unless the Medical Advisory Board determines that it can make a favorable recommendation to the Administration based on the record before it, the Board shall offer the applicant an opportunity to appear before the Board to present medical information pertinent to the Board's review.
