

(2) WITH A GENERATING CAPACITY THAT DOES NOT EXCEED 750 MEGAWATTS.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect ~~October~~ June 1, 2006. It shall remain effective for a period of 5 years and 1 month, and, at the end of June 30, 2011, with no further action required by the General Assembly, this Act shall be abrogated and of no further force and effect.

Enacted May 26, 2006.

CHAPTER 631
(House Bill 1642)

AN ACT concerning

Business Occupations and Professions - Stationary Engineers - Qualifications

FOR the purpose of requiring the State Board of Stationary Engineers to waive examination requirements under the Maryland Stationary Engineers Act and issue certain individuals certain stationary engineer licenses under certain circumstances; authorizing the Board to permit an applicant to take a certain license examination under certain circumstances; requiring the Board to consider certain factors in evaluating the work experience of a certain applicant; limiting the duration of work experience that the Board may credit to an applicant under certain circumstances; making a certain conforming change; providing for the delayed effective date and termination of certain provisions of this Act; and generally relating to the licensing and regulation of stationary engineers.
