

COUNTY LOCAL LAWS
WORCESTER COUNTY

Bill No. 05-1

AN ACT Concerning

Zoning – Applications for Building Permits

For the purpose of revising the building permit application procedures to provide that in certain situations where water and wastewater systems are being constructed to serve a project under single ownership where there is no third party reliance, the applicant would not be required to construct or bond the infrastructure prior to the issuance of a building permit.

[§ ZS 1-115(c) of the Zoning and Subdivision Control Article of the Code of Public Local Laws of Worcester County, Maryland – Repealed and reenacted.]

Bill No. 05-2

AN ACT Concerning

Zoning – Telecommunication Facilities

For the purpose of amending the Zoning and Subdivision Control Article to revise the telecommunication facilities regulations to permit the separation distance to residential structures on an adjacent lot to be reduced for certain nonconforming telecommunication facilities.

[§ ZS 1-345(b)(2)B of the Zoning and Subdivision Control Article of the Code of Public Local Laws of Worcester County, Maryland – Amended.]

Bill No. 05-3

AN ACT Concerning

Public Safety – Animal Control

For the purpose of amending the Animal Control Subtitle of the Public Safety Article to provide for additional control with respect to dogs and cats and to provide for control of other animal species and the disposition of animals impounded by the County.

[§ PS 2-101(a) through (q) of the Public Safety Article of the Code of Public Local Laws of Worcester County, Maryland – Renumbered as § PS 2-101(b) through (r) respectively and a new § PS 2-101(a) – Added.

§ PS 2-101(b) – Definitions of the Public Safety Article of the Code of Public Local Laws of Worcester County, Maryland – Amended.

§ PS 2-101(i) of the Public Safety Article of the Code of Public Local Laws of Worcester County, Maryland – Repealed and reenacted.
