2006**

NOTE: The Maryland Constitution, Article III, Section 15 provides for the compensation of the General Assembly to be set every four years by the General Assembly Compensation Commission. The provisions of the General Assembly Compensation Commission Report dated January 2006 were read and ordered journalized in the Senate of Maryland on January 18, 2006 and in the House of Delegates on January 18, 2006. Since the report was not introduced as a joint resolution, rejection of its recommendations was amended into the Governor's Salary Commission Resolution (Senate Joint Resolution 2/House Joint Resolution 1 – both passed). The result is that there will be no changes in the salary or other compensation for members of the General Assembly or the Governor for the term beginning January 10, 2007.
