

(G) CERTIFICATION OF EMPLOYEE ORGANIZATION.

AFTER THE ELECTION, THE LABOR RELATIONS ADMINISTRATOR SHALL CERTIFY THE EMPLOYEE ORGANIZATION WITH THE MOST VOTES AS THE EXCLUSIVE REPRESENTATIVE.

(H) COSTS.

THE MONTGOMERY COMMISSION AND THE EMPLOYEE ORGANIZATION SHALL SHARE THE COSTS OF THE ELECTION PROCEDURES EQUALLY.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 44A, § 2-106(g) and (h)(1).

In subsection (b)(1)(i) of this section, the former reference to a "valid" election is deleted as implicit in the reference to an "election".

In subsection (c)(2) of this section, the former reference to "statute, regulation, or ordinance" is deleted as included in the reference to "State or local law".

In subsection (f) of this section, the former statement that in the runoff election, "the ballot shall contain" the two choices receiving the most votes is deleted as surplusage.

Also in subsection (f) of this section, the former phrase "in the initial election" is deleted as surplusage.

The Housing and Community Development Article Review Committee notes, for consideration by the General Assembly, that subsection (c)(1) of this section does not require that a dissident employee be sent a list of the name, home address, and telephone number of each employee in the bargaining unit, even though under subsection (a)(2) of this section, such an employee may petition for an election.

The Housing and Community Development Article Review Committee also notes, for consideration by the General Assembly, that in subsection (h) of this section, the reference to "the employee organization" that must share the costs of the election procedures would be unclear if more than one organization appeared on the ballot.

Defined term: "Montgomery Commission" § 16-101
