

(ii) 1. An eligible customer-generator may petition the Commission to use an electric generating system with a capacity not exceeding 500 kilowatts.

2. The Commission may approve a petition for use of an electric generating system with a capacity not exceeding 500 kilowatts for net metering if the Commission finds that the project meets public safety and reliability requirements and is in the public interest.

(2) An electric generating system used by an eligible customer-generator for net metering shall meet all applicable safety and performance standards established by the National Electrical Code, the Institute of Electrical and Electronics Engineers, and Underwriters Laboratories.

(3) The Commission may adopt by regulation additional control and testing requirements for eligible customer-generators that the Commission determines are necessary to protect public safety and system reliability.

(4) An electric company may not require an eligible customer-generator whose electric generating system meets the standards of paragraphs (2) and (3) of this subsection to:

- (i) install additional controls;
- (ii) perform or pay for additional tests; or
- (iii) purchase additional liability insurance.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect October 1, 2006.

Approved April 25, 2006.

CHAPTER 123

(Senate Bill 184)

AN ACT concerning

Vehicle Laws - ~~Antique~~ Historic Motor Vehicles - Registration

FOR the purpose of altering the definition of "historic motor vehicle" ~~to include only vehicles manufactured in a certain model year or later; defining the term "antique motor vehicle"; providing for the registration of antique motor vehicles; establishing a one-time registration fee for vehicles manufactured at least a certain number of years prior to the current model year; providing that the registration of an antique a certain motor vehicle is not transferable; requiring an application for registration as an antique motor vehicle to contain certain certifications; requiring the Motor Vehicle Administration to issue a special registration plate for a vehicle registered under this Act; exempting a vehicle registered as an antique motor vehicle from certain provisions of law;~~
