MISCELLANEOUS GRANT PROGRAMS

- (B) Baltimore Zoo Redevelopment Projects. Provide a grant to the Maryland Zoological Society to assist in the construction of redevelopment projects at the Baltimore Zoo, subject to the requirement that the grantee provide an equal and matching fund for this purpose. The grantee may provide the matching fund and the Board of Public Works may certify the matching fund in installments during the period beginning with the effective date of this Act and ending on June 1, [2006] 2008. Each installment of the matching fund that the grantee provides shall be at least \$1,000,000. Except as specifically provided herein, the matching fund shall be subject to Section 1(5) of this Act (Baltimore City) 3,500,000

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect June 1, 2005.

Approved April 26, 2005.

CHAPTER 177

(Senate Bill 814)

AN ACT concerning

Environment - Maryland Oil Disaster Containment, Clean-Up and Contingency Fund and Oil Contaminated Site Environmental Cleanup Fund

FOR the purpose of altering the amount per barrel that is the basis of the fee for the license for transferring oil in the State which is credited to the Maryland Oil Disaster Containment, Clean-Up and Contingency Fund; extending the termination date and altering the fee for a certain additional per barrel fee to be credited to the Oil Contaminated Site Environmental Cleanup Fund; repealing a certain provision that authorizes an owner or operator of a certain underground storage tank to apply to the Oil Contaminated Site Environmental Cleanup Fund for reimbursement for usual, customary, and reasonable costs incurred in performing site rehabilitation on or after a certain date; establishing termination dates for certain provisions that authorize an owner or operator of a certain underground storage tank or the owner of a certain heating oil tank to apply to the Oil Contaminated Site Environmental Cleanup Fund for reimbursement for usual, customary, and reasonable costs incurred in performing site rehabilitation on or after a certain date; providing that an owner of a certain heating oil tank must apply for a certain reimbursement within a certain time period; lowering the deductible applicable to residential owners of heating oil tanks applying to the Oil Contaminated Site Environmental Cleanup Fund for reimbursement; increasing the maximum amount that can be reimbursed from the Oil Contaminated Site Environmental Cleanup Fund for reimbursement for heating oil tanks per occurrence; requiring the Secretary of
