

(b) This section applies to:

(1) insurers and nonprofit health service plans that provide hospital, medical, or surgical benefits to individuals or groups on an expense-incurred basis under health insurance policies or contracts that are issued or delivered in the State;

(2) health maintenance organizations that provide hospital, medical, or surgical benefits to individuals or groups under contracts that are issued or delivered in the State; and

(3) managed care organizations, as defined in § 15-101 of the Health – General Article.

(c) An entity subject to this section shall provide coverage for the surgical treatment of morbid obesity that is:

(1) recognized by the National Institutes of Health as effective for the long-term reversal of morbid obesity; and

(2) consistent with guidelines approved by the National Institutes of Health.

(d) An entity subject to this section shall provide the benefits required under this section to the same extent as for other medically necessary surgical procedures under the enrollee's or insured's contract or policy with the entity.

Chapter 486 of the Acts of 2004

SECTION 2. AND BE IT FURTHER ENACTED, That:

(a) There is a Task Force to Study Utilization Review of the Surgical Treatment of Morbid Obesity.

(b) The Task Force consists of the following members:

(1) two representatives of the Maryland Hospital Association, appointed by the Maryland Hospital Association;

(2) four members, appointed by the Maryland Insurance Administration, as follows:

(i) two representatives of health maintenance organizations in the State;

(ii) one representative of a nonprofit health service plan in the State; and

(iii) one representative of a health insurer in the State;

(3) five physicians appointed by the Department of Health and Mental Hygiene, including:

(i) two endocrinologists or internists with special expertise in bariatric medicine; and
