

~~must be developed to recreate or reproduce all impacted experiments so that ongoing research continues without interruption. Furthermore, SHA must identify land of comparable size, topography, drainage, and soil type to the existing BARC property. The land must be acceptable as an agricultural research site and be reasonably proximate to the existing BARC property. the steps SHA is taking to address stakeholder concerns detailed in a December 2004 report by RESOLVE Inc. The SHA report shall also address (1) the RESOLVE recommendation that SHA conduct a transportation study that incorporates information from past and ongoing transportation studies; (2) whether there will be an opportunity for public review and comment; and (3) the alternatives that SHA is considering that would not include a connector road. The budget committees shall have 45 days to review and comment following receipt of the SHA report. The report shall be due on December 1, 2005.~~

~~Further provided that \$27,000,000 of this appropriation, made for the purpose of the Community Safety and Enhancement Program, may not be expended for that purpose, provided however, that the first \$4,500,000 may only be expended for the following PAYGO capital projects:~~

- ~~(1) \$2,000,000 Towson Circle III (Baltimore County);~~
- ~~(2) \$1,500,000 Rockville Town Center (Montgomery County);~~
- ~~(3) \$500,000 Historic Main Street Ellicott City Parking Garage (Howard County);~~
- ~~(4) \$350,000 Willow Grove Bridge (Baltimore County); and~~
- ~~(5) \$150,000 District Heights Street Lights (Prince George's County).~~
