

- (5) the estimated short- and long-term costs and cost savings, including salaries, training, and equipment, that DNR incurred as a result of the merger.

The budget committees shall have 45 days to review and comment on this report.

Further provided that \$1,043,512 in general funds and \$627,800 in special funds appropriated for vehicle purchases in the Department of Natural Resources may only be expended for vehicle purchases. General funds unexpended at the end of the fiscal year shall revert to the State General Fund. Unexpended special fund appropriations will be canceled.

Further provided that *contingent upon the failure of Senate Bill 405* no funds in this budget shall be expended to implement an oyster restoration strategy involving introduction of the Suminoe or Asian Oyster. Funds may be expended to research the potential impacts that introduction of the Asian Oyster may have on the Chesapeake Bay.

Further provided that \$88,000 of this appropriation may only be expended to:

- (1) reclassify one vacant position to serve as a librarian for the Carter Library and Information Resource Center;
- (2) fund a librarian position for the Carter Library and Information Resource Center; and
- (3) provide adequate funds to operate the Carter Library and Information Resource Center in fiscal 2006.

Funds unexpended for this purpose shall revert to the fund source of origin at the end of the fiscal year.

Further provided that it is the intent of the General Assembly that the Department of
