

Further, the department shall continue data collection on the utilization of community-based non-residential programs and per diem residential placements so that data from the first two quarters of fiscal 2006 is available for fiscal 2007 budget deliberations.

Further provided that \$100,000 of this appropriation may not be expended until the Department of Juvenile Services, in collaboration with other appropriate State agencies, submits a report to the budget committees concerning the efficacy of current State programs aimed at preventing juvenile delinquency. The report shall include:

- (1) a listing of all current programs that have as their primary focus or as a major goal juvenile delinquency prevention;
- (2) the number of youth served by those programs;
- (3) program and service capacity;
- (4) program location;
- (5) any available program evaluations that demonstrate effectiveness in preventing juvenile delinquency; and
- (6) any recommendation to improve the effectiveness of these programs in targeting juvenile delinquency prevention.

The report shall be submitted by November 1, 2005 and the committees shall have 45 days from the receipt of the report to review and comment.

Further, the Department of Juvenile Services should pursue grant and foundation funding in order to hire an outside consultant to assist it and the other State agencies in the preparation of this
